GULF OF ALASKA POLLOCK FISHERY

MSC Certification
Certification Body: Moody Marine Ltd

Moody Marine Appointed as Certification Body to Undertake Surveillance Audits

The client for the above fishery certification, the At Sea Processors Association, has recently appointed Moody Marine as the Certification Body to undertake ongoing assessments of this fishery.

The conditions of certification specified in the Certification Report, and other requirements of MSC certification, will continue to be the subject of an ongoing surveillance programme in accordance with the MSC Fishery Certification Methodology.

Moody Marine has extensive experience of fishery certification, having now certified six fisheries and with a further five undergoing main assessment.
